
MAIRIE DE CHERONNAC

MINUTES OF THE COUNCIL MEETING Held 15th April 2022 at 8.30 pm

Distribution of the 2021 finance results: :

- Communal budget: the working surplus of 646 632.77 € to be assigned to the working budget. The investment surplus of 8 521.70 €. € to be assigned to the investment budget.
- Grandes Laides housing development budget: the investment deficit will be assigned to the investment budget for the sum of 55 117.95 € and the working deficit will be assigned to the working budget for the sum of 0.99 €.

The municipal council approved the sum of the compensation grant allocated by the Community of Communes. This sum amounts to 18 218 € and the solidarity grant for 2022 is 1 660€.

For 2022, in order to limit the fiscal pressure on households during this difficult time, and taking into account the re-evaluation of the government base rates, the municipal council has decided to maintain the same tax rates as for 2021.

- Taxe foncière on buildings: 30,29 %..
- Taxe foncière on non buildings: 61,20 %.

Voting took place on the initial 2022 budgets: communal and the Grandes Laides housing development. The principal budget takes into account the renovation of the church roof, the up-dating of the toilet block in the communal building, the purchase of a tractor, the strengthening of the electrical supply at la Buzatière, the purchase of the REBECQ land and the purchase of working materials for the technical staff.

The municipal council has decided to follow the advice of the study conducted by the community of communes concerning the drainage zones. It therefore took the decision not to undertake the collective draining installation at the village of Bord.

The work at the church is practically finished.

The work at the cemetery is completed.

The work at the communal building is finished. A request has been made to arrange for the visit of the consuel.

Communal land has been fenced off by a farmer, therefore the municipal council has decided to propose to this person either that he buys this plot of land at 1 € le m² or that he returns the fence on his plot to its initial position.

2 flower containers will be purchased to be placed in the Bourg and Mr Lamare will donate a barrel.
