## **MINUTES OF THE EXTRAORDINARY COUNCIL MEETING Held 13<sup>th</sup> February 2021 at 10.00am**

At the opening of the meeting the Maire asked the members of the council if they required the session to be held in closed forum. The council members voted unanimously for a closed forum.

The Maire informed the municipal council of a dossier which had been sent to the Secretary General of the Rochechouart Sub Prefecture. This dossier, drawn up by an inhabitant of the commune, essentially concerns the project for the implantation of wind turbines.

Following the presentation and discussion of each point of the dossier, the municipal council were unanimous in supporting all of the Maire's actions and authorised him to present a reasoned counter argument to the Secretary General of the Rochechouart Sub Prefecture and to provide the press with an article listing the various responses, as validated by the members of the Municipal Council.
