
MAIRIE DE CHERONNAC

MINUTES OF THE COUNCIL MEETING Held 4th September 2017 at 20 h 30

Every year the municipal council undertakes a review of the rents. The council has decided to increase the rents of the different properties belonging to the commune from 1st September 2017. The official rate applicable is 0,18 % according to the rental reference guide of 31st December 2016. Since the rents have not been revised for 2 years, the municipal council has decided to increase them by 1 €.

The municipal council has decided to make a resolution to fix the commune's participation for vocational trips. The participation will be that of 3 € per day, per child under 12 years old, for a maximum of 21 days per year.

ACCA, the commune's hunt association has decided to make a donation of 500 € in favour of the commune to cover the cost of the electrical installation in the hunter's area of the communal building.

The commission of works will visit the church to consider the state of the guard rail of the wall, with a view to making a decision on its possible replacement.

The municipal council has decided to approach the departmental council and the state for a grant towards the renovation of the church bell. The cost of the renovation work is estimated to be 17 419 € HT. A loan of 6 000 € will be undertaken for this project.

It has also been agreed to request a subsidy from the departmental council and the state for the renovation of the covered storage area behind the mairie. ATEC will carry out the study for this work and has estimated a cost of 58 650 € HT.

Following the request of persons wishing to build a house in the village of Bataillou, the municipal council entrusts to SEHV the extension of the electricity network to the boundary of the property. The estimate provided by the energy union of the Haute-Vienne amounts to 2 813, 67 €.

The work on the cemetery pathways is almost complete. Re-seeding of the grassed areas is all that remains to be done. This will be completed in the autumn by the company concerned.

The municipal council has decided to entrust to ATEC a study which will consider the possibility of altering the lower cemetery in order to create the space for additional concessions.

ATEC will soon have completed a study for a speed limit within the bourg.

The pellet stove will be installed on 6th September in the hunters' area.

The municipal council has decided not to change the rate of the sewerage charges.

The children's' Christmas party will take place on 17th December 2017.

Chéronnac, 5th September 2017. The Maire.
