In the light of the increased administration costs for dealing with dossiers of “urbanism and the creation of networks”, the municipal council has decided to fix the Taxe d’aménagement at 1,5 %. The commission of works will shortly visit the ground floor flat at the Presbytery. The tenant has vacated the apartment. The commission will decide on the various works to be done. But in the immediate future, the municipal council has taken the decision to have secondary double glazing fixed to the existing windows, if this is at all possible. JMC joinery will be contacted for an estimate. If the work is too costly, the municipal council will decide whether to request a subsidy of the Departmental Council in the form of a CTD
